AT THE UNIVERSITY OF WORCESTER

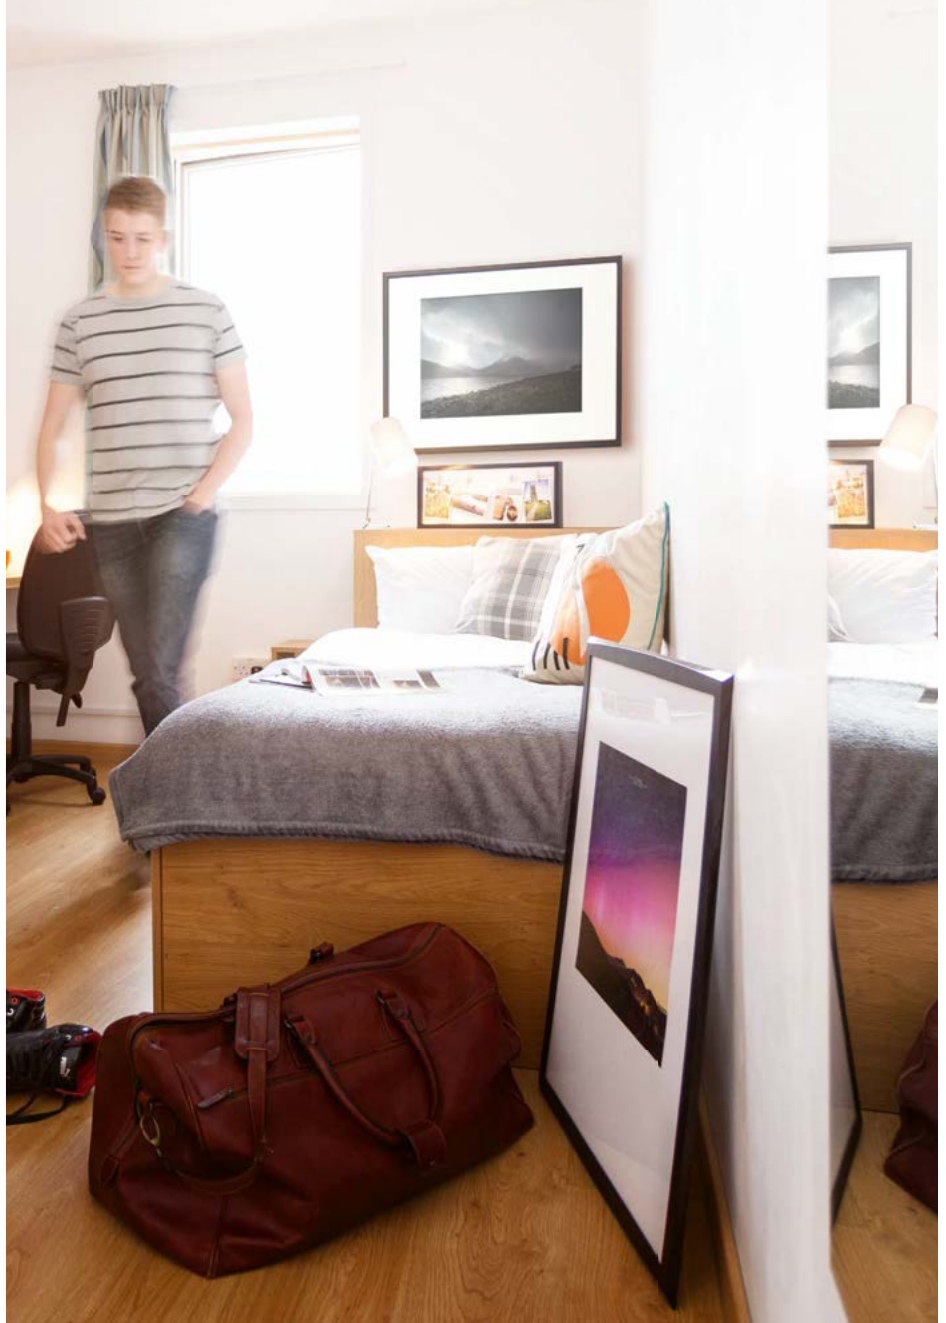

Pay for what you need.

24hr support on campus.

Your welfare is our top priority, and we want to provide you with a safe and secure environment in which to live and study. That's why all University-managed accommodation at the University of Worcester operates on-site maintenance as well as 24-hour security. Day or night, our friendly staff are here to help.

No bills to worry about, they're all included in your rent.

There are no extra charges for gas, electricity or water usage – these are all covered by your accommodation costs. All Halls of Residence also benefit from free Wi-Fi internet access, contents insurance and regular cleaning of communal areas, regardless of which accommodation you choose.

*My favourite part about living in Halls of Residence is having a **Residential Life Team** who knows you personally, so you feel supported.*
