INTERNATIONAL EXPERIENCE TRIPS

HARRY POTTER STUDIOS

03.4.22 8:15 to 18:30

The [Harry Potter Studio Tour](#) has long been one of the most popular trips we've run. And you don't need to be a Harry Potter fan to feel the magic of this incredible studio tour.

Start by entering the Great Hall before moving behind the scenes to explore a huge range of props and how the magic is made. Fly a broomstick, get on the Hogwarts Express and walk through the Forbidden Forest. Not to mention a visit to Gringotts and a stroll along Diagon Alley. Stop for a butterbeer along the way and end up in the most impressive gift shop you can possibly imagine. This trip is truly a one off!

Due to the popularity of this attraction the cost of entry to the Studio Tour is high. Taking this into account the International Experience team have decided to heavily subsidise the travel costs, significantly reducing the ticket price for this trip.

Tickets: £52

Includes: Return travel coach and entry to Harry Potter Studio Tour

YOUR EXCHANGE EXPERIENCES

Olivia - University of Turku, Finland

“I am almost half-way through my exchange and it is already clear that choosing to live and study in Finland was the best choice for me. From befriending brilliant Finns and exchange students from across the world, to experiencing a country filled with natural beauty, uniquely represented through each season- it is refreshing to gather new perspectives from places and people that are different to what I knew before. I am being shaped in ways that would not be possible by remaining in the comfortable norm of only studying in the UK and I will surely take a little bit of Finland home with me.”

Eimantas - Trier University, Germany

The study abroad program offers a great insight into variety of cultures, for me personally this has allowed to build a big family with people all over the world and feel connected their cultures to some extent. I recommend for anyone who has the opportunity for the study abroad program, to take it! Not only does this program open new horizons with people you would have never thought you've meet but also has great added value for your employability.

Studying in Trier is wonderful as it opens so many opportunities to meet differently cultured people, allowing for one to be part of a big Erasmus family internationally. I recommend anyone who is heavily interested in culture/history then to at least visit Trier once or even take the study abroad program here as I did, this small city offers just that - Excitement / Culture / Diversity.

YOUR EXPERIENCE

TRIPS & EVENTS

We've loved hearing your feedback from the events that took place before Christmas. The word 'amazing' featured a lot!

Thank you so much to all of you who took the time out to let us know what a great time you had and share your pictures.

Congratulations Jessie, we're so glad you loved it!

SPRING PRIZE DRAW

Well those swans are back again! This time they're all wearing a letter on their wings. Find all the swans hiding in this edition and rearrange their letters to make a word. Once you have the word email us at international-experience@worc.ac.uk along with your name and student number and you'll be entered into the prize draw.

And the prize? This time the prize is a free place on the Cardiff & St. Fagans trip on March 12th. It's going to be a fantastic trip but even better if it's free!
