**Slim Desktop Chassis, Black (rev: CH'09)**

- **Genuine Microsoft Windows Vista Home Basic Edition - OEM Licence**

- **Install Genuine Windows XP Professional under Campus License**

This product requires a Volume Licence Product Key. If your licence was not purchased from Viglen, then in order to install this product we will need a copy of your Microsoft Agreement Acceptance Letter containing the Volume Licence Product Key (if not already supplied). Should your Agreement be renewed at any stage, we will require a copy of the new letter. If you have any queries concerning this, please contact our Software Licensing Team at [softwarelicensing@viglen.co.uk](mailto:softwarelicensing@viglen.co.uk)

- Did you know that for an annual payment you could license each PC/Laptop in the organisation with Office Enterprise, a Windows operating system Upgrade and Client Access Licences for Windows, Exchange, SharePoint and System Center Configuration Servers? Other desktop and server products are available at minimal annual costs. Contact your Account Manager today to discuss a Microsoft Campus or School Agreement.
