Where such a matter is foreseen, the Board or committee shall resolve to delegate it to the Chair for action.
54. Chair's action should only be used exceptionally in the manner described above and should never be used to substitute for discussion at a properly constituted meeting. In determining whether Chair's action is appropriate, the relevant Chair will consider calling an emergency meeting of the Board or committee and, where the timescale prevents this, will consider other means of consulting with members wherever possible.
55. Any Chair's action taken will be reported to the next ordinary meeting of the Board or committee.
