The University of Worcester will be leading new termly network meetings for subject leaders of PSHE.

Each meeting will include –

The latest updates in PSHE and RSHE education, Ofsted priorities and PSHE resource and CPD recommendations. We will cover information and training related to both subject delivery and leadership covering all aspects of PSHE as well as statutory RSHE.

An opportunity to review and share examples from your own provision and network with other PSHE teachers and leaders. There will be an opportunity to review resources, lesson plans and policies which can be used to further develop PSHE within your own school.

The chance to ask questions, share successes and seek advice on all matters around PSHE education.
