Gift Aid Information

You can make your gift go further with Gift Aid. By reclaiming the basic rate of tax, this could increase your donation by £0.25 in every £1.

The University of Worcester can reclaim basic tax on all gifts provided that you have paid an amount of UK income tax or capital gains tax equal to or higher than the tax we reclaim. This means that every £1 donated is worth £1.25. Donors who pay a higher rate of tax are able to reclaim the difference between the higher rate and the basic rate in their Self Assessment Return bringing the cost of your £1 gift down to less than £0.80 (based on 40% tax) while still making the gift worth £1.25 to the University of Worcester.

I wish the University of Worcester to treat this and all other donations that I have made in the last 6 years, and all future donations, as Gift Aid donations until I notify you otherwise: ☐
