

Practice Assessor Preparation

This preparation is for registered **Nurses and Nurse Associates who wish to become Practice Assessors.**

You should be working in a practice environment, have experience of working with and supporting pre-registration nursing and nursing associate students. Practice Assessors assess and confirm the student's achievement of proficiencies and programme outcomes for a practice learning placement.

All Practice Assessors are required by the Nursing and Midwifery Council (NMC) to have received preparation and support to undertake the role. In addition, they must have current knowledge and experience relevant to the area and programme of study for which they are providing support, supervision, assessment and feedback (NMC 2018).

This preparation is ideally suited to individuals who are **experienced** in supporting students in clinical practice.

This preparation is planned in collaboration with practice educators / facilitators and employers.

Entry Requirements:

- Hold a registrable qualification with the NMC
- Have relevant knowledge and experience of your clinical area
- Have Manager and Practice Facilitator / Education approval to attend

Topics include:

- The Practice Assessor role in conjunction with The NMC (2018) Standards to Support Student Supervision and Assessment (SSSA)
- Interpersonal communication skills, relevant to student learning and assessment
- Supervision and coaching
- Identifying learning opportunities
- Understanding equality and diversity
- Conducting objective, evidence based assessments of students
- Evaluating evidence
- Providing constructive feedback to facilitate professional development in others
- Knowledge of the assessment process and your role and responsibilities within it
- An understanding of the proficiencies and programme outcomes that the student you assess is aiming to achieve, together with the related documentation.
- Managing concerns

The preparation will include 1 day of e-Learning and a 1 day workshop. **The e-learning must be completed prior to attending the workshop.** Confirmation of your workshop place will not be sent until the e-learning has been completed. There is no charge to attend this preparation.

Facilitators; Jacqui Fernell (Senior Associate Lecturer) and Caroline Donley (Associate Lecturer)

Dates (All sessions run 09.15 – 16.30 and will be delivered via **virtual classroom**)
