

# Prescribing Update Day: Principles and Practice

## Content:

- **Review the principles of good prescribing and an effective prescribing episode**
  - Prescription security issues and what to do in the event of an incident
  - Patient concordance and adherence to medicines
- **Prescribing legally, ethically and within NMC/HCPC/GPhC professional boundaries**
- **Prescribing Updates – recent legislative changes, plus an update of the legislation of medication supply**
  - Prescribing Controlled Drugs and mixing medicines
  - Prescribing of “Off label” and “unlicensed” medicines
  - The appropriate use of Patient Group Directives
  - Common problems with medicine management – how to identify them and where to find help

This study day contains core content that is updated in line with national policy change. If you have completed this study day in the last 3 years please discuss with the University the suitability of repeating it before booking.

## Target audience:

All non medical prescribers including: V300 prescribers, V150 prescribers and Pharmacist prescribers.

*In any given year the availability of conferences, events and study days will depend on delegate numbers. In the event of a conference, event or study day not being run due to a low number of delegates registering, delegates will in these circumstances be offered a full refund.*

## Facilitated By:

Lecturers from the Prescribing team,  
University of Worcester

## Date

14 May 2019  
(09.15 – 16.15)

All students employed by Worcestershire Acute NHS Trust, Worcestershire Health & Care NHS Trust or Wye Valley NHS Trust have to complete a study leave form (or equivalent) if they want to study in works time, or want the Trust to fund or part fund the course, or both. Upon receipt of your approved trust study leave form you will receive notification that your place is booked. If you attend these days without an approved study leave form you will be charged.
