

Frequently asked questions about our campus tours

How long does a campus tour take? - Tours usually last just over an hour.

Can I bring a guest? - You are very welcome to bring your family or friends along too!

Where do I need to go? - Please come to the Main Reception at our St John's Campus (WR2 6AJ). For further information on directions and parking, please check out our [find us page](#)

Can I view accommodation? - Not all of our campus tours are able to offer accommodation viewings. Where it is possible, we'll let you know. Accommodation is open at all of our Open Days and Applicant Days.

Will I be able to talk to staff from my course? - As teaching will usually be taking place, it's unlikely that many teaching staff will be available during the campus tour. However, we'll contact staff from your course area of interest and if they are free during your visit, we can arrange for them to speak with you.
