

WELCOME

to Lakeside Campus.

SUSTAINABLE AND MODERN, RURAL OUTDOOR UNIVERSITY CAMPUS.

Our ongoing developments are focused on supporting inclusive, lifelong education in sport, outdoor activity, outdoor learning, health & wellbeing and science and the environment.

We deliver engaging experiences through outdoor activities and team building within our local communities, which encompass schools and youth groups as well as corporate clients. We can run a variety of one day to multiple day courses and have a proven track record working with many local schools, colleges and professionals.

We will bring your visit to life through exceptional instruction from our dedicated and inspirational team.
