

About the Nursery

The University Nursery is situated on the University of Worcester Campus.

The Nursery is self-contained and has large outdoor facilities. We are able to make use of facilities on the campus, such as the gym, and regularly have walks around the campus.

We are registered with Ofsted to provide care and education for children aged from 3 months to 5 years.

We aim to provide high quality care and education through a variety of learning experiences.

We are open 50 weeks of the year excluding Bank Holidays, the last full week of August, staff training days and when the University is closed (usually Christmas only).

Fees

Child under 3 years £5.76 per hour

Child over 3 years £5.47 per hour

Lunch optional £2.42

Early years funding is available for 3 and 4 year old children, starting from the term after their 3rd birthday.

Funding for 2 year olds is available to parents who meet the eligibility criteria. We also take childcare vouchers.

Staff and community users book from the available session times for the year. We do not offer term-time only bookings. Students book from the available session times for a semester or longer dependent on course length.

Admission criteria available on website - www.worcester.ac.uk/unitots-admissions-policy

8-6	8-1	1-4
	9-1	1-6

If you are interested in a place for your child, please complete and return the form attached.

What next?

If your child is offered a place at the Nursery you will be asked to come in to have a look round (if you haven't already done so) and fill out admission forms.

You will also be offered induction sessions for your child prior to starting and will be given further information regarding the nursery.
