- Don't expect to be able to afford as many luxuries as you did before you became a student e.g. Sky TV, foreign holidays, gym membership etc.
- Avoid library fines. Charges for overdue books are 15p a day and a minimum replacement book charge of up to £50 is made for any item more than 45 days overdue. If you do get into difficulties with fines, speak to a member of the library staff as soon as you can.
- Free software: Office 365 is available to current students through the student portal. This allows access to online storage (One Drive) and Microsoft office online applications. Current students also have the option to download Microsoft office onto their Windows or Apple computer.
