tel: 01905 54 2853

Jay is an occupational therapist teaching practice and research skills at the University of Worcester. He previously worked as an occupational therapy service manager in a specialist faith charity for young people with learning disabilities. Jay has taught undergraduate occupational therapy students on a range of modules and facilitated Problem Based Learning sessions. Jay has presented in related areas at the College of Occupational Therapists, the Royal College of Nursing and The British Sociological Association. His research interests relate to young people and healthcare engagement.
