

# Apply as a student ambassador

## Apply to join us

We recruit ambassadors throughout the year- you'll find the adverts on the [Job Opportunities](#) page, in the [Students' Union](#) and on our [Facebook](#) page.

If you aren't sure about when you should apply, drop us a line on [study@worc.ac.uk](mailto:study@worc.ac.uk) and we'll fill you in on the details.

You'll need to complete a simple online application form. Successful applicants will then be invited to a short interview, which helps us match you to the right sort of jobs.

## Training

All ambassadors are given training, so you can approach your tasks with confidence and get to know other students on the scheme. You'll then be added to our contact database and we'll send you regular messages letting you know about upcoming opportunities.

## Choose the number of hours

You choose the amount of work that you take on- some students work with us every week, while others might choose to only do a few events per year.
