

# YOUR COMMUNITY

We're looking forward to welcoming you to the University of Worcester, where you will join a community which values inclusivity, integrity and respect.

## CONSIDERATION

Our students come from a variety of backgrounds, cultures, and belief systems and we consider each person to be a unique individual. As a member of our community, it is important to consider and appreciate the different perspectives, identities, and experiences that you will encounter while you are a student with us.

## KINDNESS

We ask that you treat your fellow students with dignity, courtesy, and kindness, and help us in creating an environment free from discrimination, bullying, harassment or victimisation. If you experience any of these behaviours, let us know. We will support you and deal with the situation appropriately.

## ASK FOR HELP

You can speak with **firstpoint**, the Students' Union, or your Personal Academic Tutor if you ever need assistance.

## TOGETHER

Together we can build a positive and inspiring learning atmosphere, where you have a sense of belonging, can feel safe and are supported to fulfil your potential.

## WELCOME

Welcome to Worcester. Your university, your community.
